World Refugee Sunday is an opportunity for you to join the churches around the world in praying for refugees and internally displaced people.

There are nearly 50 million refugees and internally displaced people around the world. Refugees seek for protection and acceptance to build their life, but in reality they often experience social exclusion, largely by being ignored, marginalised or barred by country borders.

This Church invites you to participate, pray and remember those who are persecuted and oppressed around the world.

World Refugee Sunday is celebrated by the Refugee Highway Partnership in cooperation with the World Evangelical Alliance. Additional information about refugees and displaced persons can be found at www.RefugeeHighway.net. Email info@refugeehighway.net for more information.
