

Share your Day Life in Lockdown

**Are you forcibly displaced?
Are you seeking asylum in another country?
Did you get to settle in a new country?**

Coronavirus has brought with it some changes to the way we live our lives. How is it affecting your life? If you have a smartphone with a camera and like to write, we would love to hear from you.

What looks different in your day? What do you cook? Do you all eat together? What do you enjoy doing in your day? Are you meeting different people? Tell us about your daily struggles, share your day.

Take a picture and tell your story in no more than **50 words**. Use your voice to tell the world how coronavirus is affecting your life.

Please share your pictures and text (50 words) on **Smart4one Stories** <https://www.facebook.com/smart4onestories> by **30 June 2020** to be part of **World Refugee Sunday 2020** <https://www.refugeehighway.net/introduction-to-wrs.html>.
